BLACK NOBLE

Region

Riverina, NSW

Appearance

Amber with olive green hues.

Bouquet

Hints of toffee and coffee with raisins and mandarin peel.

Palate

Unique and delicious, rich raisin and dried date fruit with hints of citrus peel, toffee and caramel flavours. Concentrated and viscous with lingering aged complexity.

Winemaking

When the botrytised Semillon grapes are being harvested for Noble One, a parcel of fruit at approx 20-22 baume is selected to produce the Black Noble intense and ripe botrytis flavours. Very little fermentation occurs before fortification with a neutral grape spirit is added to inhibit any further fermentation. Black Noble is then clarified, a touch of brandy spirit added for further complexity before being transferred into used Noble One barriques.
