Riverina

Tasting Note

Elegant, crisp and plenty of pizzazz.
Fresh pear, stonefruit, hints of cashew
and a minerally zing.

General Characteristics

Medium Dry / Medium Bodied.

Suggested Cuisine

Chicken, seafood, creamy pasta dishes.

Wine Analysis

Alc/Vol: 13.0 % pH: 3.3 TA: 7.0 g/L.

Vintage Conditions

Good winter rains followed by a warm
growing season lead to good yields of
fruit. A hot beginning to the harvest
period accelerated the ripening with
frantic harvesting ensuing to pick the fruit
with the ideal flavour spectrum.

Winemaking

Healthy balanced vineyards profiling
fresh stone fruits and a natural acidity
were chosen for this wine style. This
wine was fermented cool over a two week
period. Selected parcels were
fermented with the inclusion of
French oak staves. Once fermentation
was complete, exceptional wines were
matured on fine yeast lees over four
months to build palate weight.

Cellaring

Enjoy now or cellar up to three years.
