**Justin Winery's
2007 Savant,
Paso Robles**

in their March 2010 issue.

"This blend of Syrah, Cabernet Sauvignon and a drop of Malbec, presumably for color and body, represents a big step forward for Justin. It has the structure and impressive dryness of a fine wine, with pure, deep flavors of black currants and cedar. Delicious and elegant, it should hold in the bottle for 3-5 years."
