JUSTIN ISOSCELES Strikes Gold across California!!

Dear JUSTIN Supporter,

It started with one, and before we knew it, the 2007 ISOSCELES had racked up 3 GOLD's and a Double GOLD in the last month alone.

Our journey began at the **2010 San Francisco International Wine Competition**, where, with over 3500 wines judged, ISOSCELES was awarded **Double GOLD!**

As we traveled inland to Sacramento, we had another strong showing at the **2010 California State Fair Wine Competition**. With over 600 wineries represented and 3000 wines tasted, not only was ISOSCELES awarded a **GOLD Medal** and a score of **95 points**, but also received awards for **Best of Class AND Best of Region!**

Then we made our way south to the heart of the Central Coast. With some of the region's finest represented, ISOSCELES took home yet another **GOLD Medal** at the **2010 Central Coast Wine Competition!**

Just when we thought there was no gold left in California, we ventured further south to sunny southern California, only to strike gold once again! This time, it was at the **2010 Orange County Fair Commercial Wine Competition**, where, out of 2900 wines judged, we earned another **GOLD Medal!**

An immensely flavored wine with black fruit intensity, powerful tannins, and inviting oak notes of cinnamon, nutmeg, and a sense of *JUST*-roasted dark-roast coffee beans. It's regal, stately, and long finish might just strike GOLD with you too!

Cheers!
