

## 2005 Anadeluna Cellars Grand Reserve Cabernet Franc

**90 POINTS**

*“Anadeluna Cellars’ 2005 Grand Reserve Cabernet Franc is a glass-coating opaque purple color. The bouquet is marked by aromas of herbs and olives along with plenty black fruit notes. On the palate, the herb and olive theme is reiterated. The wine is fullbodied, rich, dense, and flavorful; distinctively varietal but not over the top. Give it 12 years to fully blossom and drink it from 2011 to 2017.” -Jay Miller (August, 2009)*

## 2004 Anadeluna Cellars Grand Reserve Pasionado

**90 POINTS**

*The 2004 Grand Reserve Pasionado is a blend of 49% Malbec, 26% Merlot, 17% Cabernet Sauvignon, and 8% Cabernet Franc, each component aged separately for 12 months in new, predominantly French oak, blended, and returned to barrel for another 6 months. Dark ruby-colored, it reveals a perfumed nose of pain grille, spice box, violets, black cherry, and black raspberry. Fullbodied, rich, flavorful, and well-balanced, this smooth, pleasure-bent blend will evolve for 12 more years and offer prime drinking through 2017.*
