**2007 Dry Gewürztraminer,  
Central Coast**

*A lively and distinctive Gewürztraminer that shows the variety's spicy edge with cool-climate balance. With crisp acidity for backbone, this dry wine has rich flavors of citrus and tropical fruits, wildflowers, peaches and those telltale dusty Asian spices.*

**2007 Pinot Gris,  
Central Coast**

*Feels like a crisp, silky Sauvignon Blanc, with citrus, lemongrass and mineral flavors and brisk acidity, but much richer due to the addition of tangerines and butter-creamy peaches. A nice appetizer wine for things like mushroom-filled pastries, goat cheese, and salumi plates.*
