

CLAIBORNE &  
CHURCHILL  
V I N T N E R S

“2008 Claiborne & Churchill Dry Gewürztraminer, Monterey County, Ventana Vineyard: Dramatic aroma of lichee nut, rose petal, and jasmine. Bone-dry with a classic mid-palate and a true Alsace-style finish with a brilliant aftertaste that has no bitterness! A fabulous wine..”

“2008 Claiborne & Churchill Dry Gewürztraminer, Central Coast: Wild spice like rose petal and carnations. The entry is softer than you might think for an Alsace-style wine, but the body and dry finish are complete and appealing. It finished first in a blind tasting by 12 Sonoma County wine makers. Drink young or age it 3-4 more years. ”

“2007 Claiborne & Churchill Dry Gewürztraminer, Central Coast: This year-old version of the great ‘08 Gewürz, still available in a few places, is similar and already shows some of the bottle age that benefits this wine so nicely.
