90
points

2010 Reserve Sauvignon Blanc

Mills Reef's Reserve Sauvignon Blanc stays true to the Hawke's Bay Style, with ripe fruit notes that recall nectarine and passion fruit, medium body and a zesty finish reminiscent of fresh citrus. Drink it over the next year.

89
points

2009 Gimblett Gravels Reserve Merlot-Malbec

At nearly 80% Merlot and the remainder Malbec, this is a medium-bodied red possessed of bright, vibrant cassis fruit with chocolate and herb overtones. It finishes firm without being hard or tough, so it may be consumed now and over the next 5-7 years.
