Reviews by James Laube

90 points 2006 Syrah, Mendocino

Tight and well-structured, delivering a reigned-in mix of tar, dried berry, anise and mineral. Gains depth and complexity with with tannins that give this traction. Drink now through 2017.

88 points 2007 Pinot Noir, Anderson Valley

Trim and spicy, with mineral, plum and black cherry fruit that's focused, full-bodied, firm and complex.

Drink now through 2016.
