

QUADY WINERY
2006 RED ELECTRA
ORANGE MUSCAT WINE

Electra is our 4% version of Orange Muscat, a picnic wine with a delicate spritz. For several years, some of our avid Electra fans have been asking for a red version. The first year we made a small batch, about 500 cases. The reception was overwhelming. The wine even received a double gold medal at the San Francisco Fair.

Red Electra, is made from a blend of Orange Muscat and Muscat Hamburg has its own special red fruit character, like cranberry and pomegranates, a beautiful red-purple color and refreshing spritz. This wine is now sealed in a screwcap bottle (750ml size) to retain that sparkle for the life of the wine.

Appearance: Medium red, translucent

Aroma: Floral with notes of rose, orange blossom, strawberry, and melon.

Taste: Light bodied, sweet and crisp with berry and cherry overtones.

Alcohol: 5.0%
TA: .90 g/100ml
pH: 3.1
R.S.: 17.4%
