

Elysium

Known in Europe as a table grape variety, Black Muscat (Muscat Hamburg) is one of the very few black skinned muscat grapes. The distinctive rose-like aroma of this grape led us to name the wine “Elysium”, mythological Greek for “paradise”. Lightly fortified to about 15% alcohol and aged for 3 months in small French Oak barrels, Elysium is a brilliant crimson purple with aromas of roses, hibiscus, and strawberries. Flavors of Bing Cherries and red berries encourage the use of Elysium as a dessert or as an accompaniment to desserts.
