

Electra

Light, delicate and very refreshing, we call it “Electra” because of the tingly electric-like sensation on the tip of the tongue. Electra’s delicate fruit-floral fragrance was achieved by fermenting Orange Muscat juice at a low temperature for over 2 months, thus retaining a considerable amount of natural carbonation. We like to describe it as a “picnic wine”, an excellent accompaniment to salads, spicy foods, and sweets.

Current Vintage: 2010

Varietal Content: 90% Orange Muscat & 10% Muscat Canelli

Alcohol: 4.5%

TA: 8.0 (g/l)

pH: 3.12

R.S.: 17.40
