## Vya Extra Dry

Vermouth is a fortified wine made with botanicals. Vya is a new sort of vermouth, fresh and vibrant, producing and exceedingly pleasant sensory experience made in both white extra dry and red sweet styles.

A blend of Colombard and Orange Muscat with added botanicals. The aromatic plants used for the extra dry consist mostly of flowers and leaves.

Vya extra dry is so delicious, it can be enjoyed straight, as a fine white wine, as well as in those ways vermouth is customarily used.
