2003 WURTELE VINEYARD
SPRING MOUNTAIN DISTRICT
CABERNET SAUVIGNON

Grown in a 35-acre vineyard at 1,000 feet up Spring Mountain, Terra Valentine's '03 Cabernet tastes dynamic rather than superripe. It emphasizes umami flavors of the earth, from truffles to dark, mineral tannins all surrounding a core of fresh black currant fruit. With lovely elegance for such a concentrated wine, this retains its lift through a long and expansive finish.

It's suited to long aging, though it's probably best between 10 and 12 years from the vintage. (650 Cases) Retail: \$55.
