

WOOLLASTON

---

**Pinot Noir 2006**

“Red plum and black cherry marry with subtle oak spice to give a layered, complex aroma. An elegant, integrated palate with harmonious red plum and cherry woven into fine grained, minerally tannins yields to a lingering finish.”

Woollaston Estates produce high quality, distinctive wines in Nelson, New Zealand. The vineyards and winery are certified as sustainable by Sustainable Winegrowing New Zealand, and organic and biodynamic practices are being introduced.
